NEWS RELEASE

CanAlaska Increases Flow-Through Portion of Private Placement

Vancouver, Canada, December 14, 2020 – CanAlaska Uranium Ltd. (TSX-V: [CVV](#); Frankfurt: [DH7N](#)) (“CanAlaska” or the “Company”) announces that further to its news release of December 9, 2020, due to increased demand it is increasing the flow-through portion of its offering by \$500,000 such that the total gross amount to be raised under its non-brokered private placement offering will now be up to \$2,000,000 (the “Offering”).

The Offering is comprised of a combination of: (i) non-flow-through units (the “NFT Units”) which are being sold at a price of \$0.28 per NFT Unit (up to a maximum of \$1,500,000); (ii) flow-through units (the “FT Units”) which are being sold at a price of \$0.38 per FT Unit; and (iii) flow-through charity units (the “Charity Units”) which are being sold at a price of \$0.42 per Charity Unit. Each NFT Unit is comprised of one non-flow-through common share and one-half (0.5) of one warrant. Each FT Unit and Charity Unit is comprised of one flow-through common share and one-half (0.5) of one warrant. The warrants for all units will be the same with each whole warrant entitling the holder thereof to purchase one non-flow-through common share for a period of 2 years at a price of \$0.55. The exact number of NFT Units, FT Units and Charity Units sold will be determined at closing.

The gross proceeds received from the sale of the FT Units and the Charity Units will be used for work programs on the Company’s exploration properties. The net proceeds received from the sale of the NFT Units will be used for general working capital.

The Company may pay finders’ fees comprised of cash and non-transferable warrants in connection with the Offering, subject to compliance with the policies of the TSX Venture Exchange. All securities issued and sold under the Offering will be subject to a hold period expiring four months and one day from their date of issuance. Completion of the Offering and the payment of any finders’ fees remain subject to the receipt of all necessary regulatory approvals, including the approval of the TSX Venture Exchange.

This news release does not constitute an offer to sell or a solicitation of an offer to buy any of the securities in the United States of America. The securities have not been and will not be registered under the United States Securities Act of 1933 (the “1933 Act”) or any state securities laws and may not be offered or sold within the United States or to U.S. Persons (as defined in the 1933 Act) unless registered under the 1933 Act and applicable state securities laws, or an exemption from such registration is available.
